

Wishing You a Lovely Day

Thinking of You Card

Terri George

Measurements:

- Fresh Fig Card Base (5-1/2" x 8-1/2" scored at 4-1/4" and folded in half)
- Fresh Fig Cardstock (CS) - 3-1/2" x 4-3/4", 1/2" x 4-3/4" and apx. 3-1/2" x 2-1/2" scrap piece for die cut
- Whisper White CS - 4" x 5-1/4" (inside) and apx. 3" x 3" scrap to stamp and die cut
- Petal Promenade Designer Series Paper (DSP) - 4" x 5-1/4" and 3-3/8" x 4-5/8"

Step-by-Step Instructions:

1. Use Stampin' Trimmer to create your card base from Fresh Fig CS, then cut the other pieces from the remaining Fresh Fig CS
2. Stamp the sentiment "Wishing You a Lovely Day" using Fresh Fig ink, then used the Stitched Shapes Oval die and Big Shot to crop it
3. Using the coordinating sized scalloped oval from the Layering Ovals dies and Big Shot, cut one scalloped oval from the scrap piece of Fresh Fig CS
4. Adhere the two ovals together
5. Adhere the larger piece of DSP (with marbled side up) onto the front of the Card Base

Wishing You a Lovely Day

6. Adhere the smaller piece of DSP (floral side up) onto the 3-1/2" x 4-3/4" Fresh Fig CS mat; then adhere the 1/2" strip of Fresh Fig CS across the center (side to side)
7. Wrap apx. 5-1/2" piece of Old Olive Sheer Ribbon around the 1/2" strip and adhere at the back
8. Using Stampin' Dimensionals, center and adhere the Card Front to the Card Base
9. Again using Stampin' Dimensionals, adhere the Sentiment Oval piece over the strip and slightly to the left - *TIP: place the dimensionals along the top and bottom portion of the oval so that it sticks better and not to the ribbon*
10. Make a bow using the Old Olive Sheer Ribbon and stick it to the side of the Sentiment Oval using a Mini Glue Dot - this technique is much easier than trying to wrap the ribbon around the CS and tie a bow, it uses less ribbon too!
11. Adhere the Whisper White CS to the inside of the Card Base AFTER stamping any desired sentiment
12. If you wish to decorate your envelope as well - cut a piece of DSP 6" x 2-1/4", glue it to the outside envelope flap, then flip the envelope over and use your Paper Snips to trim off the excess DSP around the edge - super easy and adds a nice, finished touch!

Taking a Closer Look:

You can see that the bow is placed so that it looks like it's attached to the ribbon, but it's actually attached to the edge of the scalloped oval.
